* In order to use the caller ID feature you need to call 1004 and give the operator your telephone number for Telefonica to enable the service. It usually takes up to 48 hours to activate the service.

Answering A Call

On receiving a call you will hear the phone ring and the red light will flash. If the caller ID service is activated you will be able to see the number calling you on the DOMO telephone screen.

Making A Call

To make a call, simply pick up the DOMO handset, wait for a dialing tone and then dial the destination telephone number. To end the call, replace the handset.

Mute Button

Your DOMO telephone includes a MUTE button, so the person at the other end of the line cannot hear you having a conversation with someone else in the same room as yourself.

When you are talking, press the "Mute" button, the screen will display "Mute Activo." (Mute is now activated)

To continue talking, press the "Mute" button again, the screen will display, "Mute Inactivo" (You can now continue talking)

Call Divert

In order to divert all telephone calls to another landline or mobile phone.

Use the following instructions.

1. First of all lift the DOMO handset
2. Press the "Desvio" button. (PULSE No + DESVIO) will be displayed on the screen.
3. Now enter the telephone number you wish your calls to be diverted to. eg. 952259952
4. Now press the "Desvio" button again. You will hear a confirmation in Spanish informing you the service is activated.
5. Replace the handset. All calls will now be diverted to 952259952.

To cancel diverting your calls, use the following instructions.

1. Lift the DOMO handset
2. Press the "Desactivar" button. (DES O CONTES) will be displayed on the screen.
3. Press the "Desvio" button. (DESVIO INACTIVO) will be displayed on the screen. You will hear a confirmation in Spanish informing you the service is de activated.
4. Replace the handset.

Storing names and number into your directory

The DOMO telephone allows you to store up to 50 names and telephone numbers.

To enter new names and numbers into the directory. Use the following instructions.

1. Press the "Grabar" button. (GRABAR NOMBRE) will be displayed on the screen.

2. Now enter the persons name, by the pressing the appropriate keys. Eg. If I wanted to enter the letter C. I would press the No.2 button, three times.
3. Now press the "Grabar" button. (GRABAR NUMERO) will be displayed on the screen.
4. Now enter the persons telephone number.
5. Press "Grabar" again to save the name and number to memory. (GRABAR NOMBRE) will be displayed on the screen again, so you can add more names and numbers to the directory. When you have finished storing names and numbers, press "Desactivar"

Viewing names and numbers in your directory

To view the names and numbers you have previously stored on your DOMO phone. Use the following instructions.

1. Press the "Agenda" button. You will then see your contacts names on the screen in alphabetical order.
2. Use the scroll buttons (Llamadas) to view all the contacts in your directory.
3. To call a contact. Lift the DOMO handset and press, "Menu"

Call Waiting

When you are using your DOMO telephone, you might receive a second call. (You know this as you will hear several tones during your conversation) To answer the waiting call use the following instructions.

1. Press the "LL. Espera" button. (LLAMADA RETENIDA) will be displayed on the screen.
2. You will now be able to speak to the other caller.

To switch back to the other conversation "LI. ESPERA" button again.

To finish a conversation press the "Desactivar/Salir" button.

Setup your answer phone service

First of all pick up your handset and press the button "Contestador." The message "Activo" will be displayed on the screen and you will hear a message confirming the service.

If you wish to change your answer phone message to English and record your own voice, follow these simple steps:

Call: (+34) 952 449 020

DOMO Telephone User Guide

In English!

1. lift Domo handset and press the "Mensajes" button
2. When the message you hear ends, press No.1 on your keypad
3. When the next message you hear ends, press No.4 on your keypad.
4. Enter a four digit code eg, 0000 (You must remember this code)
5. When the next message you hear ends, press No.3 on your keypad.
6. When the next message you hear ends, press No.1 on your keypad.
7. Finally when the next message ends, press No.1 again.
8. You may now replace the handset

If your phone rings and you are unable to answer, the answer machine message will cut in after five rings in English.

To retrieve any left messages, pick up your handset and press the "Mensajes" button.

You can also access your answer service from another telephone line or mobile phone anywhere in Spain. First call your own number, your answer service will activate after five rings. On hearing your message, enter your access code, eg. 1234 and you can listen to your messages.

You will be given the three following options

1. Listen to message again, press No.1 on your keypad.
2. Save message, press No.2 on your keypad
3. Delete message by pressing No.3 on your keypad

Please note both the answer machine service and caller ID service (Which requires activation by Telefonica) are completely free services.
